

REMARKS

In reviewing the claims after receiving the Notice of Allowance, Applicants' representative noticed that claim 5, in the definition of R2, third line contains the same CH2Y group as claim 15, in the definition of R2, third line, and required amendment to make it consistent with the Examiner's amendment of claim 15. In the Examiner's amendment, claim 15, in the definition of R2, third line, both occurrences of Y in CH2Y (Y= F, Cl, Br, I) were changed to Y'''. Accordingly, in claim 5 in the definition of R2, third line, both occurrences of Y in CH2Y (Y= F, Cl, Br, I) have been changed to Y'''.

Additionally, the specification has been amended to reflect the change in variable designations made in the Examiner's amendment.

Applicants respectfully request entry of the foregoing amendments to claim 5 and the specification. The amendments are not believed to require any substantial amount of additional work on the part of the Office or introduce new matter.

Applicant believes no fee is due with this amendment. However, if a fee is due, please charge our Deposit Account No. 03-2775, under Order No. 14528-00002-US from which the undersigned is authorized to draw.

Dated: December 20, 2007 Respectfully submitted,
